‘SHOULDER TO SHOULDER’

NATIONAL RALLY

Assembly in Hyde Park

- The Rally commences at 12.00 noon, on 10 October 2018. It shall finish at 6pm in Parliament Square.
- The Rallying point will be located in The Reformer’s Tree part of Hyde Park.

- **Welfare and First Aid Provision**

All women shall be responsible for their own health and welfare. By anticipating personal needs plan ahead and organise the day for maximum enjoyment. Women may be tired, having got up earlier than normal, walked further/stood longer than usual. Some suggestions here might be: -

- Bring drinking water, ideally in a reusable bottle, to reduce waste on site
- Carry your medication in a clearly marked container with instructions for use.
- Bring a snack/lunch or buy food from the Park Café, to sustain you.
- Buddy up either formally with a carer or informally with a member of your Local Pensions Group. For individual women attending the Shoulder to Shoulder National Rally who may not live close to a Local Pension Group should make themselves known in advance or link up with someone on the day for support. It’s important Rallygoers look after each other.
- Nominate a contact person/emergency contact ie next of kin; friend; Pension group local coordinator, in case of an incident which might require the Rally Organisers to make contact. Please make this contact information available in advance to your Local Coordinator; someone in your Local Group; or your travelling companion/s if coming to the Rally with friends and/or family. If travelling solo, please write contact information on a wrist band or a card which can be found easily.

#OneVoice

‘SHOULDER TO SHOULDER’

NATIONAL RALLY

- You will be walking and standing for a few hours so consider bringing something to sit on such as a blanket or cushion (with a waterproof bag to keep it dry if the ground is wet). Or you can hire a deckchair from £1.80 an hour (book on line <http://www.parkdeckchairs.co.uk/>) ID required. This outlet is located within the Area of the Park known as the Parade Ground, close to Cumberland Gate (North East Entrance).
- It may be wet therefore ‘wet weather’ gear is essential, including footwear – consider a waterproof poncho: -
- Named people have kindly volunteered their services to offer first aid to Rally goers on the day. These people are either certified first aiders or trained and experienced former or current health workers. They will be identifiable on site.
- There shall be a ‘First Aid’ point close to the Rally.

Crime Prevention

Please try to bring minimal valuables to the Rally and take special care with phones and purses or wallets. There are free apps you can download in advance to track your phone/tablet if it goes missing or gets stolen; your device is tracked by GPS and can be located online and in some cases be locked remotely. If the device is stolen, you should pass this information to the Police.

When travelling on Public Transport keep your bag in view at all times. This may prevent it from being stolen. Do not attempt to wrestle with a thief or pick pocket. Support your group and stay together. Carry your valuables in a body bag out of sight.

‘SHOULDER TO SHOULDER’

NATIONAL RALLY

Stewards and Safety

Stewards shall be clearly identifiable, positioned throughout the Rally ground. Please don't hesitate to ask them for help or assistance at any time throughout the Rally. You should follow Rally announcements/advice at all times, and particularly at the end of the Rally when we shall be focussed on helping Rallygoers get home safely as quickly as possible.

Rally Organiser is: Ziggi Golding waspicampaignpr@gmail.com

Working Team:

Estelle Laybourne – Permissions and Police
Jane Morwood - Planning and Risk assessment
Catherine Williams- First Aid Lead
Susan Ward – Stewards Lead
